STATEMENT OF FACTS

I, Vivien J. Tannoch-Magin, hereby declare and state that:

1. I am an attorney of record who attempted to contact and locate inventor Iwan Zein on behalf of the Applicant, Osteopore International Ltd., for the referenced application.
2. Iwan Zein assigned his rights, title and interests in the referenced application to the National University of Singapore and Temasek Polytechnic, Singapore. Thereafter, the National University of Singapore and Temasek Polytechnic assigned their rights title and interest in the referenced application to Osteopore International Ltd.
3. On August 28, 2010, I contacted via email our client representative, Rahul Gopalkrishnan, Ph.D., Associate Director, NUS Industry Liaison Office of the National University of Singapore, requesting the current contact information, or last known contact information for Iwan Zein, as well as the email addresses for the other named inventors.
4. On August 31, 2010, I received an email with the email addresses of the named inventors, and the last known email address for Iwan Zein

(iwan_zein@singaporeair.com.sg) and physical address (Blk 867A Tampines St 83 #04-257 Singapore 512867).

5. On September 1, 2010, I sent to Iwan Zein by email and by Federal Express International, a Declaration Under 37 C.F.R. § 1.132, a copy of the referenced application's specification, figures and pending claims, the cited Hutmacher *et al.* reference and a memorandum regarding same (copy of email attached as Exhibit 1).
6. On September 1, 2010, I received an undeliverable email receipt for the email sent to Iwan Zein's last known email address (copy attached as Exhibit 2).
7. Subsequently on September 1, 2010, I emailed the other named inventors of the referenced application requesting the current contact information or information that may lead to the discovery of the whereabouts of Iwan Zein (copy attached as Exhibit 3).
8. On September 1, 2010, I attempted to locate contact information for Iwan Zein using Internet searches. No identifiable results were obtained in a Google search. No results were obtained in a National University of Singapore staff search (copy attached as Exhibit 4), or a Temasek Polytechnic staff search (copy attached as Exhibit 5). No results were obtained in a search of LinkedIn.com using the search parameters [First Name: Iwan] and [Last Name: Zein] combined with any one of the following: [Country: Singapore]; [Company: Temasek]; or [Company: National University of Singapore] (copy attached as Exhibit 6). Further searches on Facebook.com did not find Iwan Zein using the search parameters [Search: Iwan Zein] and filtered by any one of the following: [Location: Singapore, Singapore]; [School: National University of Singapore]; or [School: Temasek Polytechnic] (copy attached as Exhibit 7).
9. On September 1, 2010, inventor Dietmar Hutmacher responded to my email informing me that Iwan Zein moved to New Zealand 8 years ago and that he had lost subsequent contact with Iwan Zein.

10. On September 2, 2010, I performed further Internet searches combining Iwan Zein's name with New Zealand. No identifiable results were obtained in a Google search. No results were obtained in a search of LinkedIn.com using the search parameters [First Name: Iwan] and [Last Name: Zein] combined with [Country: New Zealand] (copy attached as Exhibit 8). No results were obtained in a search of Facebook.com using the search parameter [Search: Iwan Zein] filtered with [Location: New Zealand] (copy attached as Exhibit 9).
11. On September 2, 2010, inventor Kim Cheng Tan responded to my email sent September 1, 2010, advising that current contact information for Iwan Zein was not known.
12. On September 4, 2010, Federal Express tracking reported a "Delivery Exception" with details "Incorrect address". On September 7, 2010, Federal Express tracking reported a "Delivery Exception" with details "Customer not available or business closed". On September 8, 2010, Federal Express tracking reported the letter was delivered and signed by "ELIAWATT". Copy of Federal Express tracking report attached as Exhibit 10.
13. To-date, no response has been received to the letter sent to Iwan Zein by Federal Express on September 1, 2010, and reportedly delivered by Federal Express on September 8, 2010.

I hereby declare that all statements made herein of my own knowledge are true and that all statements made on information and belief are believed to be true and further that these statements are made with the knowledge that willful false statements and the like so made are punishable by fine or imprisonment, or both, under Section 1001 of Title 18 of the United States Code and that such willful false statements may jeopardize the validity of the application or any patent issued thereon.
